Official Match Programme

Second Division
Youngers Rugby League Alliance

Sheffield Eagles
v
Hemel Hempstead

Woodbourn Athletic Stadium on 14 December 1991
Kick off 2.30 pm

The Ruane Technical Press, Rotherham 0709 5842-19

Welcome to Woodbourn Arena

We are very pleased to welcome Hemel Hempstead to Woodbourn today for their first visit to Sheffield. Hemel have been one of the most progressive of amateur clubs over the past few years, under the influence of the Australian Bob Brown, and it is their intention to work towards full membership of the Rugby League, albeit that goal may well be some years ahead.

Those of you who were at the last home game will be surprised to learn that Dean Johnson, who was sent off for a high tackle in that game, was suspended for three matches. Had video evidence been available, it would have shown that Dean undoubtedly made contact with the player's chest and the incident merely illustrates how players are at the mercy of unfit referees who are not physically capable of positioning themselves near enough to the play to make correct decision.

The Second Division cup draw has been made and our fixtures are at home to Bramley and Rochdale and away to Doncaster and Salford. The matches will be played in February and March.
